### A Great Leap in the Creek! You Can Help.....

#### Significant Grant: Protection for the Zieria

The NSW Environmental Heritage Trust has approved a grant of \$97,361 for implementation of the National Recovery Plan for the Bomaderry Zieria (*Zieria baeuerlenii*). The Bomaderry Creek Landcare/Bushcare Group, working with National Parks and Wildlife Service and Shoalhaven City Council will be a part of this pioneering program.

Bushland restoration professionals will tackle

#### When?

the big problem areas of weed infestation but VOLUNTEERS will be vital for helping (and learning) about the more detailed and delicate weeding and planting. This will also include:

\* seed gathering & propagation

\* re-planting of native species already present in the Creek environs.

Find out more of this important Recovery Plan on our [website](#).

This is a three-year project with major work beginning in March of 2016. Until then there is familiarisation and preparatory work to be completed.

**Saturday 5th December, followed by a BBQ. Wednesday 9th December 8am - Noon.**

#### Future Dates

Sustaining a contribution to the project over the months to come will be critical to successful outcomes. Whilst we appreciate it may not be possible for Volunteers to attend every session, we list the following dates - the last Saturday of the month and the 2nd Wednesday of the month - to aid with your planning. Hours will vary according to the season.
